# CHAIR'S REPORT

VICKI BEKER

As my last report as BOP Chair, this will be a bit of a reflection on the past few years and also where I think we will be heading in the future. For myself personally it has been an absolute pleasure being the BOP Chair. Time is always your biggest enemy when you are in a volunteer situation, however I know that most of the people who are reading this report will understand this dilemma. I never felt that I had enough time to achieve everything that I wanted to – but it sure helped being surrounded by an amazing team. I am really proud of what we all have achieved that includes the BOP Board (past and present), the Clubs (especially the Club Presidents), the Players, the Parents and the supporters.

I can sum up my years as easily as this. For me it has all been about – Ngā whanau (the family) Ngā hoa (the friends) and Ngā pārekareka (the fun). To the past and present board, my stock and standard speech each year was come with your BOP hat on and not your Club Hat on but let's have fun while we do it. To be transparent in what we deliver to our stakeholders and to be make the hard calls regardless of who might not approve. If there is one thing I have learnt in sports, you can't keep everyone happy but you can do a great job regardless.

Some special thanks must go to Gavin Hudson (2020 BOP Personality of the Year) who firstly talked me into this position and then stood along side me not only as a great board member, but then a mentor and a friend. To Mark Murphy-Fell who was there at the beginning with amazing insight and support. He also brought with the meaning of Whanau and culture back to the BOP. It is one of life's great pleasures seeing your children all become great mates and hopefully carry on the legacy. To Jim O'Grady who joined the board in the later stages who supported me with more challenging Squash NZ related issues and gives the Squash BOP Board sound council. To the Squash BOP going forward; I know this is in incredibly safe hands and I am excited about what is ahead. We have in the BOP the most incredible Squash talent and supporters ranging from Dame Susan Devoy, Wayne Werder, Dave Clarke, Kashif Shuja and many more and to mention Karl Brown at Devoy, who does an amazing job who will I know support the future of the BOP.

At the centre of all of this has been our amazing Ops Manager – Marcus Niles. Now seen as one of the most competent managers in New Zealand along with international recognition in Squash Event Management. As a board we have supported his career pathway in order for him to take up these external opportunities which has always been in the best interest of the game and Marcus. I wish him all the best with everything in the future that he endeavors knowing he has that underlying love for the game, sports and the people that play it. To Robbie Wyatt. Having known this man since I was 11, it has always been just good fun working with you and seeing how you have developed our coaches in the BOP. From the success of "team dirt" to now the exciting prospect of Lauren Clarke being in the Eastern BOP. Thank you to all those coaches who have worked with him and making us one of the strongest coaching districts in NZ.

In what has been a really difficult year, we were still able to achieve some squash success. You will see this success in the rest of this report. Danny McQueen received his life membership at Geyser and it was a privilege to read out emails from all around the world on his behalf. However to round off the year a massive thanks to Geyser City Squash Club (Dahna and Murray) and Marcus for an incredible night at the BOP Doubles and Awards. It was such a cool night seeing everyone celebrate that amazing success. A couple of things really stood out for me on that night. Treena Braithwaite from Reporoa. One of our small rural clubs who only survive with amazing people like yourself and seeing your absolute pleasure in winning the volunteer of the year award makes everything all great. To our under 11 NZ title winner Zezima Waitai. What an awesome family you have, and to stand up there and have the courage and confidence to say a speech was remarkable. Joe Smythe – the coolest kid and what an achievement this year. And lastly to Geyser who donated half their club doubles prize money to Katikati. How "Up the Bay" cool was that. To round the night off a great party!!!!

Hey it has been an absolute blast and I am looking forward to some more challenges for myself in the future but just a big thanks for all those people and you know who you are who personally supported me – not to mention my poor partner Tony Loughlin (Slicky Boy) who never complains about all the time that I spent of squash related stuff. See you all on the court.

# 5 MANAGER'S REPORT

## MARCUS NILES

2020 will go down as a very tough year, but I feel like Squash in the Bay has come through the COVID pandemic as well as could have been expected. The season was disrupted with clubs having to close their doors for 7 weeks due to the lockdown. After lockdown was lifted, the country was also operating under various alert levels for several weeks,, which restricted the amount and type of sport that could be played. The Government financial support of clubs and Squash BOP meant the clubs and district weren't severely impacted. It did mean planning was extremely difficult and there was a lot of uncertainty around events and competitions. We had to quickly amend our calendar and make sure our events were complying with the appropriate health and safety requirements. Luckily, our clubs are very resilient and were able to quickly adapt to protect their members and put good protocols in place. We remain in uncertain times, but we are lucky to be in NZ where the virus is currently contained, and we can operate as normally as possible.

The events lost to COVID this year included Senior Teams, BOP Open, Junior Quadrangular, NZ Junior Open, Cousins Shield and Mitchell Cup, as well as several club tournaments. It also forced amendments to superchamps, interclub, the HEAD Junior 900 series, as well as the Womens 900 series. It also meant the cancellation of the World Juniors in the Gold Coast, which meant selected players Glenn Templeton & Joe Smythe missed out on representing NZ. After the calendar was adjusted and events started to proceed, we saw a strong engagement from players. Tournaments have been well-subscribed, and clubs are reporting increases in membership & activity.

Our programs were also badly disrupted due to lockdown, and it had an impact on how much we could achieve in areas such as coach development, squads, and referee development. Not only were many programs cancelled, uncertainty around the virus made it very difficult to plan anything.

The HEAD 900 series was again a very successful series, with 91 kids playing in at least one event. The Women's Beginner series across BOP & Waikato has gathered momentum and the events are showing pretty strong growth, and the players love it. We trialed a similar men's series this year, but it has seen a slow uptake so far.

Despite a very short lead in for Superchamps due to lockdown, we saw very strong numbers again this year. Including invited teams, the Bay had 13 teams away at the national finals, and one team came home with the trophy.

The Board has continued to be very capable leaders for our sport and we are lucky to have such a high calibre group. Gavin Hudson was forced to step aside during the year due to work commitments, and he will be sorely missed. Vicki Beker is stepping down this year after 5 years as chair. Vicki & Gavin have been fantastic for Squash BOP and I would like to sincerely thank both of them for the amazing work they have done over the years. They have certainly left Squash BOP in a better place than when they arrived.

Robbie has done a great job under challenging circumstances this year. With the help of Kiwisport funding, the Eastern BOP Junior Program was very successful, and he is focussed on ensuring that continues next year with his support. The Coaching Conference was a big success and saw really good engagement from coaches as well as some very strong presenters. We have built up a group of coaches that are the envy of many other districts. Its great working with Robbie, and we are very lucky to have such a well-respected and capable coach working with our players and clubs. I am always keen to hear ideas on how we can further maximise his impact in the district.

# 6 COACHING DIRECTOR'S REPORT

ROBBIE WYATT

Well the year 2020 has been a very unbelievable year for us all with COVID-19 hitting the world. This made our sport of squash nationwide very challenging in so many ways. After lockdown and we were allowed back on the courts it was a great feeling that is for sure. This certainly made for a very condensed calendar for the rest of 2020. I want to thank the board of Squash Bay of Plenty for being so supportive during the very tough and uncertain times of lockdown. Regular zoom calls were excellent and thanks to Jim for our weekly catchup calls. That really meant a lot to me.

**Club Visits:** Marcus and myself visited the majority of clubs before lockdown. Again I feel it is an excellent way to communicate face to face with everyone. After lockdown I continued visiting the last few clubs. I've continued on visiting other coach convenors around the area throughout the second part of this year.

**Coachforce:** Regular Coachforce meetings are back on track and Trudy Kemp who is our Coachforce coaching advisor has been doing a fantastic job. I have mentioned in past reports but Coachforce give me a valuable opportunity to present and learn and share with many other codes. 2021 is looking very busy with a good number of conference opportunities.

**KiwiSport:** We were lucky enough to get some Kiwisport funding across the line through Sport BOP to run a term 3 program over in the Eastern BOP area. This meant we were able to pay two coaches (Logan Brewer and Glenn Templeton). It was a very full program for the two guys on each Monday starting at Reporoa College where from 9am to 11am they coached 30 students, then straight over to Galatea school from 12pm to 2pm where they coached around 20 children. Finally, off to Edgumbe Squash Club for the Eastern BOP Junior Program, which included Edgumbe, Whakatane, Taneatua, Marist, Opotiki. The term went very well, and now from that Glenn continues to travel to Galatea School and Edgumbe for term four. Logan also ran a Kiwi Squash program at Katikati College in term 3. It was run at 645am-845am at the Katikati Squash Club and involved 20 kids each week.

**Coach Development:** Finally, the Foundation Coach section of the framework has been rolled out by Squash NZ. The first practical session in New Zealand was delivered at Geyser City with 15 beginner/intermediate coaches attending from Bay of Plenty and 5 coaches from other districts. I will be delivering a couple of Foundation Practical Sessions next year and also hopefully once it is completed a couple of Development Coach Practical as well.

**BOP Squads:** This year our squads included; U23 Boys Squad (including senior Men), Womens Elite Squad, Junior Elite & Development Girls Squad, and BOP Rollers. The squads this year had to be also condensed into a shorter time frame. I was very pleased with the commitment to the squads from the players with attendance being excellent overall. These squads are very important to our structure and pathway. The new permanent squad called the BOP Rollers went pretty well but need to make some tweaks for next year. It is a fantastic opportunity for our J & E Graders who are keen on squash to have training camps outside of their junior club programs and also have fun and learn from BOPs best coaches.

**BOP Coaches:** I keep saying that Squash BOP has the best coaching stocks in New Zealand and that is definitely still the case. Big thanks this year to our amazing squad coaches, Dave Clarke, Becky Clarke, Lauren Clarke, Graeme Randolph, Tweedy Seymour, Logan Brewer, Mike Hebditch, Brendon Morrison, Kashif Shuja, Dame Susan Devoy, Wayne Johnston, Glenn Templeton and Kelly Shilton.

**NZ Junior Nationals:** We were very lucky that this major junior tournament went ahead unlike the teams event for the senior nationals. Big thanks to Girls coach Becky Clarke and team Manager Kelly Mitchinson who did a fantastic job with a great group of kids. Individually our kids did very well with Edgumbe's Zezima Waitai winning the NZ U11 title in a hard fought four setter against Dominic Lim from Canterbury. Maiya Hotham from Putaruru finished 4th in the girls U13, Luke Steyn from Taupo finished 3rd in the boys U17, Joe Smythe from Devoy Squash finished 3rd in the boys U19 and Glenn Templeton from Katikati finished 4th in the boys U19. Joe Smythe was also named New Zealand junior boys most improved which was very well deserved after a fantastic season.

**In Closing:** Once again a massive thanks to my work colleague and friend Marcus. Great guy to work with and many thanks for all his support during this very challenging year. Also, to Vicki and the board members. What an awesome bunch of people. Special mention to my friend and BOSS Vicki who has done a fantastic job as chair over the last 5 years. Finally, let's bring on a positive and exciting 2021

# SENIOR REPRESENTATIVE EVENTS

## NEW ZEALAND MASTERS

The National Masters was hosted this year by the Whangarei Squash Club during 16-20 October. This club has space to burn and was a great venue. Whangarei is a great place – small enough to move around easily, well laid out and of course a wonderful environment. The BOP team had two virgins this year - Korina and Rachel. New blood was great to have and they gelled really well into the team. The team stayed in one big beautiful house, the Regent Residential Villa, and this created a wonderful team interaction and atmosphere.

### Individuals

BOP featured strongly in the Individuals. Eight players contested age group finals and four National age group titles were won: Jo Shanks W35+, Kashif Shuja, M40+, Kathryn McKay W55+, Bernie Dawson M65+. Jo won, playing on legs that were only just returning from serious injury. She was very determined winning against a brave Karen Roberts.

For all of us privileged to see Kashif play Neil in the M40+ final, we witnessed the expression of true character, guts and grit that in a very high quality, high drama match in which both players were at the very end of their endurance.

Kathryn vanquished all even with her dubious knee. And Bernie jubilantly claimed his maiden title.

### Teams

In the Teams, three of our four title holders could not play due to injury related causes. The Teams event was a nine draw with BOP seeded fourth. We dispatched Central first and then fought to a 6 matches-all, 23-22 games victory over Canterbury in a very nervous and exciting rubber where all team members gave everything. The team was happy to pip Canterbury to put us into the top playoff group with Waikato and Auckland. We beat Waikato 7-5. On the day, Auckland were too strong beating BOP 9-3 but a second placing was an excellent result for BOP.

This year the men achieved more victories than the women, reversing the trend of the last few years. Aaron Kopittke won all his matches anchoring the team with high quality squash. Team members experienced both brilliant victories and heart-breaking defeats in tight matches and supported by the team's nurturing culture.

This year's top performances have not been an accident. Kashif has been leading us with workshops to formulate our own goals and share them with him and the team. He asked as well for us to identify an extra 10% which we can call on in tight matches.

### Socials

All socials were held at the club. We had prize givings, karaoke, dinners, watched the Bledisloe, and good times. Their kitchen was exceptionally good and we all appreciated the fine food. On Monday night the dinner hosted by Slick and Jo at our house was most enjoyable with really good food. We now know the secret to a good crumble is the toss immediately before serving!!

## JUNIOR QUADRANGULAR

**AUCKLAND / BAY OF PLENTY / WAIKATO / NORTHLAND**

Hosted by Franklin Squash Club 28-29 March

Unfortunately due to the lockdown, only a few days prior to the event the Junior Quad was forced to be cancelled for 2020. Next year, Franklin will host again.

The team was however picked and ready to go, and comprised of a mix of youth and experience. It featured our three 2019 NZ age group champions as well as a number of first-time BOP reps.

NZ Under 19 champion Glenn Templeton headed the boys, with NZ U11 champ Zezimai Waitai stepping up to the U13 age group. In the Girls, Putaruru's Maiya Hotham is fresh off her NZ U11 title late last year.

The team was to be coached by Robbie Wyatt & Logan Brewer, and the managers looking after the players were to be Jacinta Kennerley and Kelly Mitchinson.

This year the decision was made to remove the U11 age group and add an extra U19 boy and girl

## JUNIOR NATIONALS

Hosted by Christchurch Squash Club, 2-6 October

NZ Junior Nationals for 2020 was held in Christchurch from the 2nd to the 6th of October. Bay of Plenty was represented by our top junior players at the national age group individual and teams tournament. This year the Individual and Teams event was run over 5 days, a day less than last year. This put our Junior players under immense physical pressure with many of our kids playing 9 highly competitive games over the 5 days. A huge ask for some of our younger, less experienced players. Bay of Plenty was well represented at the individual prizegiving.

The team event started soon after the individual prizegiving and was awesome to see our juniors switch to team mode, working together and encouraging each other as every point mattered to secure a win for the team.

The girls were 7th seeds in a draw of 8. They lost to Auckland and Midlands but beat Southland and Northland to come away with placing 6th, an outstanding effort from our girls for such a young, developing team.

The Boys were 2nd seeds in the top division for this event. They came away beating Canterbury, Waikato and Midlands securing their place in the final against top seed Auckland. This was a highly competitive final between the 2 top teams but Bay of Plenty ended up losing 3 games to 1. Still a fantastic effort placing 2nd.

Huge thanks to the awesome leadership of our coaches Robbie Wyatt and Becky Clarke who were at the squash club all day and night, coaching and mentoring our Juniors. We are very lucky to have such amazing supportive coaches in the Bay.

I thoroughly enjoyed managing this group of awesome young people. Their behaviour was exemplary and there was a lot of fun and laughs along the way. Most of all I was so impressed with the kids supporting each other on the court and forming great friendships off the court. A real pleasure to be part of Bay of Plenty Squash.

# 14 BOP SQUADS

## • BOP SQUADS 2020

Bay of Plenty has a strong performance structure that encompasses a range of squads to cater for our top players. Talented players are selected based on their commitment, attitude and potential, and are divided into squads which are run by a top group of regional coaches. This program is the cornerstone of the regional representative structure and produces our future stars.

In 2020 we had 3 squads. The Elite boys were run as an Under 23 squad, which allowed us to continue to work with the players who have recently left juniors. We also invite the senior men to attend those camps. We combined the Elite & Development Girls this year to make one big squad.

Each squad had six camps spread through the season. The camps are planned carefully and designed to give our squad members the skills and support to progress along the pathway to representative honours in the future. This year the camp schedule was disrupted by the lockdown, so we had to re-schedule the last few camps. We also engaged our squad coaches during lockdown to produce coaching & cross-training videos to keep the players motivated and engaged.

## SUPERCHAMPS NATIONAL FINALS

23-25 September

Katikati D Women were the shining lights for BOP this year at Superchamps Nationals! They become the first ladies team from the club to lift the trophy, and team captain Toni Connelly was delighted after a long build up "Who would have thought four months ago, that this group of amazing humans would take on the country's best D Grade Ladies, take out the title and bring home the cup". It wasn't all plain sailing for the top-seeded team. They started strong with 5-0 and 4-1 wins in their first two ties. Then, after a 3-2 win and a 2-3 loss, they faced a must-win tie to give them a chance of a countback victory. Lining up against 2nd seeds Browns Bay, the girls fired up to take the first three matches, securing the titles for the Bay!

The C grade womens draw saw two Bay teams face off in the semi final. Eliminations winner Mount managed to pip invited team Devoy in a nail-biting tie that came down to the wire! Mount then went on to the final where they were extremely close to taking the title, only succumbing in the 5th game of the 5th match! An outstanding effort to make the final is such a hotly contested grade.

This year the Bay had 13 teams across the country in 'the best event in squash'. Lasting memories and friendships are inevitably formed, and no doubt the stories will get bigger as the years go on.

## NEELEY LOG

The Neeley Log originated from the Whakatane Club where Don and Dale Neeley donated the Log to Squash Bay of Plenty for a Bay competition, not unlike the Ranfurly Shield.

Due to the disruption of the season, very few challenges were able to be completed this year. Tokoroa ended the season with the log.

### 2019-20 Results:

Nov/Dec	Te Puke defeated Katikati
Jan/Feb	Putaruru defeated Te Puke
Mar/Apr	No challenge due to COVID
May/Jun	Tokoroa defeated Putaruru
Jul/Aug	No challenge (Katikati)
Sep/Oct	No challenge (Mount)

## INTERCLUB

The format for interclub was supposed to be the same as last year, but due to the loss of several months in the middle of the season, we lost the Autumn round and had to amend dates quickly to get Winter up and running.

The Autumn round had 50 teams entered and draws done when lockdown forced us to cancel it.

Due to the short lead-in, numbers of teams for the re-vamped Winter were down on last year, but the Spring round bounced back to be the same as 2019. The Spring round was amended from the graded format to be a 3-player format with Men & Women on the Tuesday night.

The annual battle for the right to represent the Bay at the Superchamps national finals took place around the district over the weekend of 28-30 June. 45 Club teams of 5-7 players in each grade fought it out to get to go to the big dance in September to try to become National Champs.

The dates were changed to an earlier time frame this year to try to attract more teams from the farming community. The titles were spread around the clubs with only Mount securing more than one title.

## WOMENS 900 SERIES

After the successful trial in 2019, we teamed up with Waikato to run a WAIBOP Womens 900 Series of tournaments. The first attempt was a series of 10 events starting in February, alternating between the Bay & Waikato. After only 5 events, lockdown forced the series to be cancelled. Once things were back up and running, we quickly re-arranged the dates for another 10 events starting on 20 September.

The series was open to ladies 18 year and older, graded below 900 points, and ungraded players. During the series 90 ladies tasted competitive Squash, with a total of 120 entries across the five BOP events.

The series was again proudly sponsored by NZ Home Loans and Intimo. BOP & Waikato offered a new HEAD racket as a prize. Each tournament entry got players an entry into the draw.

## BAY OF PLENTY DOUBLES

Hosted by Geyser City 13-14 November

This year we had a record number of entries with 52 teams entered. There was a range of players which allowed us to make; Open Divisions for Men's, Women's and Mixed, 1 x Men's Division, 2 x Mixed Divisions, 2 x Beginners Divisions (a mixed and a women's)

The decision to play to par 11 or 15 best of 3 or best of 5 and golden point or win by 2 was a real talking point and I struggled with what was the right thing to do. In the end I decided to play the Open Divisions Best of 3 Par 11 win by 2, all the other divisions were Best of 5 Par 11 win by 2. Whilst there was a bit of confusion to start with but soon worked itself out. Feedback on this after the event was that it was the right decision, one of the men's semi finals went for 77 minutes and that was best of 3 so best of 5 would've taken much longer.

Of all of the players registered to play the doubles only 12 players were from clubs outside of the Bay. When I played at the Auckland Doubles earlier in October, I took a poster up and put it on the notice board, some of New Zealand's top players were playing at that tournament and they also entered the BOP Doubles, a facebook event was also created and players invited through social media. BFA Business Advisors and Accountants were our main sponsor along with the sponsorship from Squash BOP made the prize money an attractive and all prizes were Cash, BFA also made a prize for the Best Dressed and Best Club.

Best Dressed made for some very creative costumes, the Women's Beginners Division made a great effort in their costumes but the winners came from the Men's Division 1 with Jason Hannah (Geyser) and Braeden Brewer (Katikati) not only winning the Best Dressed but also winning there division.

Best Club was worked out with the winners and runner up from each division getting points for their club. The players that were from clubs outside of the Bay got to chose a club to support. In the end it was Geyser City who came out the winners, this seemed a little unfair as we were the hosts with more players than any other club so myself and our president Murray Black made the decision to give half to the club that came runner up which was Katikati. The Men's Open final was missing the number 1 seeds which was unexpected, Michael Dunstan and Zac Miller were up against Jamie Oakley and Finn Trimble with Jamie and Finn coming out on top taking away the Ian Taylor Memorial Trophy.

As a club we are lucky to have Scoring Made Easy in our club, this amazing technology helped us to manage the games which worked well and allowed us to finish the games on time. Scoring Made Easy also streamed the games live on YouTube, the feedback from this was quite emotional with one player telling me how his grandparents aren't well enough to come and watch him play squash but with the live streaming they were able to watch their grandson play. This obviously meant a lot to this family. To date the Thursday night games had 66 views, Friday nights games have had 140 views and with 10 hours of live streaming on the Saturday there has been 277 views. This is great for the game of squash.

Saturday night also saw the Squash BOP Annual Awards, as part of this Geyser City organised a meal to be available to everyone, as we were on a time limit it was decided that it would be a rolling meal from 5pm. Clive Waugh was in charge of this and yet again did an amazing job with very little left over. This allowed Marcus to get straight into the awards night after the double prize giving. Marcus gave out the awards to some of the Bays amazing people with Gavin Hudson and Bernie Dawson receiving awards who both represent Geyser. These awards were over quite quickly and then everyone was entertained by a DJ late into the night. Over-all I believe that the BOP Doubles and Prizegiving was a very successful and will only grow in the coming years. I don't see that there was anything we could have done better as everything seemed to go well.

## HEAD JUNIOR 900 SERIES

The 2020 HEAD Junior 900 Series has been a ripper this year! 7 events, 91 kids, 300 entries, and a whole lot of fun! The last event was held at Devoy Squash, and it was a fantastic occasion. The series points table has been hotly contested this year, and it came down to the last match to decide who would round out the top 5 and grab the major HEAD prizes.

The big prize this season went to Devoy's Payton Korewha, who improved on his 2nd place finish last year. Payton went from J2 to E2 during the course of the season. The 'Best & Fairest' coaching award went to Te Puke's Charlie Stubbing who won \$100 worth of coaching.

During the series, players were nominated as 'best & fairest' for behaviour and attitude. Each of the nominees got a small prize, and went into the draw to win a \$100 coaching scholarship from Squash BOP. The lucky winner this year was Charlie Stubbing from Te Puke.

Massive thanks to the clubs that hosted each event, and of course to our wonderful sponsor HEAD. Looking forward to next years series!

## BAY OF PLENTY JUNIOR OPEN

Hosted by Te Puke Squash Club 24-25 August

The Bay of Plenty Junior Open went ahead at Te Puke in August 2020. The prior year saw 70 entries, and for 2020 there were 58 entries and reduced spectators due to Level 2 lockdown restrictions. Competitors ranged in age from 8 to 18 years over 11 divisions. Due to clashes with re-scheduled junior events in other districts, and the lockdown in Auckland, all of the players were local BOP kids, which made for a 'BOP family' atmosphere. Entries were received from Geyser, Tokoroa, Taupo, Mt Maunganui, Devoy, Katikati, Opotiki and Te Puke Clubs. Top seeded players were siblings Katie and Glenn Templeton who hail from Katikati Squash Club, and are now also members of Devoy Squash & Fitness, and Auckland's Henderson Squash Club.

Glenn Templeton is the reigning NZ junior men's under 19 champion, and will compete to defend his title again in October 2020. Second seeded Joe Smythe aged 16 years gave everything to the final, dominating for the last two games, before Glenn fought his way back for a thrilling win. Final score: 13/11, 6/11, 11/7, 4/11, 15/13.

Katie Templeton aged 17 years took out the Bay of Plenty title for the first time, and as an experienced A grade player, will be difficult to beat next year. Play throughout the grades was enjoyed by the competitors, with fair play and honesty evident amongst our Bay junior grades.

## **ACCOUNTANT'S REVIEW**

### **FOR THE YEAR ENDED 30 SEPTEMBER 2020**

To the Readers of the Annual Report of Squash Bay of Plenty Incorporated.

I have reviewed the financial statements of Squash Bay of Plenty Incorporated for the year ended 30 September 2020.

A Review is limited primarily to enquiries of the Societies personnel and analytical review procedures applied to financial data and thus provides less assurance than an Audit. I have not performed an audit and accordingly I do not express an audit opinion.

Based on my review nothing has come to my attention that causes me to believe that the accompanying financial statements do not give a true and fair review of the reporting year to 30 September 2020.
