CHAIR'S REPORT

KELLY COX

Change is hard. We hear it often, especially with the uncertainty that has been the last 18 months. However, change is also healthy, something to desire and strive for. Whether the change involves giving up a bad habit, developing a new skill or adapting to a new world living with Covid, we have all experienced the desire to make a positive change in our lives. But change is difficult. It requires effort, resilience, planning and support. This year has been the very definition of change and uncertainty, and if we reflect, we should be even more proud of our players, our clubs, our people. We are still enjoying squash and in 2021 we saw lots of inspiring events building club culture and supporting the community – despite all the change and uncertainty around us.

With a lot of events cancelled this year, clubs have found different ways to adapt to that change, grow the game and support their community; great examples include Putaruru, raising the most money of any club in NZ as part of the World Squash Day fundraiser for Mental Health Foundation. Katikati worked long and hard to claim the “unofficial” world record for the longest doubles squash marathon (40 hours 1 minute) and the longest squash rally (4348 strokes). Devoy have doubled down to get their build project completed during lockdowns and social distancing. The new interactive squash included is already proving to be a great new tool to grow the game.

Squash NZ have been working hard on their own change in 2021; working with districts, reviewing the need for change and updating their Strategic Plan. It was great to welcome new CEO Martin Dowson to our 2021 Club Hui hosted in Rotorua by Geyser. It was a rare chance to get together, discuss and hear local concerns. We had the best turn out of all districts that Martin visited, another great sign that our people are engaged and looking towards the future. Next year will be about more positive change, implementing that new strategic plan. Watch out for Balance is Better, Participation Growth initiatives, Coaching Pathways, Referee Pathways, a new End to End High Performance Pathway, and initiatives supporting clubs with Facilities Management and tools for Growing Grassroots squash - a platform for everyone to get involved in squash. Congratulations to local Bay Squashies Dame Susan Devoy and Vicki Beker, new representatives on the Squash NZ Board supporting these changes.

The Squash BOP Board is also experiencing change. A big thanks to outgoing Board Member Jim O’Grady, a wealth of knowledge, a wry sense of humour and always a steady hand who encouraged us to do the right thing. A big thanks must also go to the support and patience of the current board, Chris Brewer, Toni Connelly, Nick Pharo and Te Aorangi Murphy-Fell. These guys ask the tough questions and encourage healthy debate when making any decisions. They aren’t afraid to question the norm and look for better ways of working. With the changes coming in the form of Squash NZ’s Strategic Direction, we are in a good place to support clubs but know there is always more work to do.

Maybe our biggest change will be farewelling Marcus, who has worked tirelessly for the last 9 years supporting the Squash community in BOP and across NZ. Change is tough, but it’s also healthy as we welcome new eyes and fresh perspective to help us grow and take up new ways of working. We wish Marcus all the very best as he embarks on his own change, a new challenge in the golfing world.

Lots of other recognition must go to the tireless workers behind the scenes, supporting squash activities throughout the BOP, we certainly have support that is the envy of other districts! Robbie Wyatt (Coaching Director), Becky Clarke (Referee Director), David Jenson (BOP Statistician), Mike Hebditch (Accountant support), and Doug Taylor (Financial Accounts Reviewer) are only a few.

Finally, credit must go to the ALL of the BOP clubs, their chairs, committees, volunteers and of course the players. Change is difficult. It requires effort, resilience, planning and support and you have all put in huge time and effort throughout 2021 in a year that been different to say the least.

So, while the word to sum up the year was change, the word leading into 2022 is “Kotahitanga – Unity”. We are all in this together. Squash NZ, Squash BOP, the Clubs, the Players, and that is an exciting thought.

5 MANAGER'S REPORT

MARCUS NILES

2021 was my last year as BOP Manager. After nearly 9 years in the role, I have made the difficult call to move into a new sporting role. This has been more than a job for me. I have met some amazing people and have lived my dream of working in the sporting industry in a sport I love. Hopefully, I have left the sport and district in a good place and it will continue to improve and grow in the future.

It was another very challenging year due to the lockdowns and uncertainty around the future. The events lost to COVID (again) this year included BOP Junior Open, BOP Doubles, NZ Junior Nationals, NZ Masters, Superchamps nationals, as well as several club tournaments. It also forced amendments to interclub, the HEAD Junior 900 series, as well as the Women's 900 series.

Our programs were again badly disrupted due to lockdown, and it had an impact on how much we could achieve in areas such as coach development, squads, and referee development.

Superchamps District Eliminations were played and the engagement was again very strong. It was such a shame for all those teams that nationals had to be cancelled.

Our clubs are in good heart, and despite a difficult year there was some good progress. In the Eastern BOP the inclusion of Dave and Lauren Clarke has seen an increase in activity. Our club of the year, Reporoa has continued to be a pillar of their community and has had a strong growth in programs and membership. Our flagship club (and mine for the past 23 years) has achieved the phenomenal feat of completing a huge upgrade to the club, including interactive squash and an all-glass court. Under the tireless leadership of our volunteer of the year, Michelle Oldfield, they also hosted the Cousins Shield and Mitchell Cup, and next year could have some even bigger events for the squash community to enjoy. Our little Bay of Plenty has a club in Devoy Squash & Fitness that is leading the country in so many ways. We all should be very proud of that. I certainly am.

The Board has continued to be very capable leaders for our sport and we are lucky to have such a high calibre group. Special thanks to Jim O'Grady who stepped down during the year due to moving out of the district. His input was hugely valued. Our new Chair Kelly Cox has led us well in a very challenging year. It's a thankless job and she has done a great job to lead us into a strong position with an exciting future.

My biggest thanks has to go to my old mate Robbie. It has been a blast to work with him, and we have become great mates. I feel like we have made a positive difference together in the Bay, and I am sure he will carry on supporting our clubs and coaches for years to come. We are lucky to call him one of ours.

If I was to express the best part of my experience in squash... He tāngata. The people. We are all passionate about our sport, and the people I have had the pleasure of dealing with in the Bay, Waikato & beyond in my time in this role have been awesome. It has been a privilege to work in squash for so long. I leave our sport as an administrator, but I will continue as a player and a volunteer for many years.

6 COACHING DIRECTOR'S REPORT

ROBBIE WYATT

Another very challenging year has past. Covid has continued to make our sport of squash very challenging but like many people I have tried to adopt the attitude of getting on with things and carry on planning even if the events get cancelled. That's the world we live in.

Club Visits

I visited all of the clubs at some stage of the year but this was broken up from time to time. A lot of the clubs have continued along nicely with coaching programs and junior convenors. Club visits are an area that I really enjoy as I've always felt that "face to face" is the best form of communication.

CoachForce

Trudi Kemp is continuing to do a great job as team leader for all of the codes. Attended a good number of seminars this year from "Women in Sport" "Balance is Better" Sport Injury prevention etc etc. A goal next year is to get more of our performance coaches to attend more of these seminars as a lot of them are very informative.

School Programs

So, after the kiwisport funding of 2020 we have continued on a pathway of carrying on with most of the schools in 2021. This is still an area that I would like to see grow and grow. I have a plan in place for next year to engage targeted schools and if it comes off could be excellent. A real highlight was to see Tauranga Boys and Otumoetai Girls win the national secondary schools competition.

Squash NZ Coach Development Framework

Squash NZ have recently appointed Jason Fletcher to drive the coach development space. I recently meet Jason in Taupo to go through how this would work in our region. Many positives came out of our meeting but the one that stood out with me is that I will deliver formal and informal modules in 2022. So coaches that want qualifications will do formal modules and those coaches that just want to do more basics technique and movement for their club will do a coaching of coaches evening which is what I have done in the past. I feel like we finally have more direction from Squash NZ which has been lacking in the past.

BOP Squads

Considering disruptions this year I have been very happy with our BOP Squads. Great numbers overall and the commitment was great. Unfortunately, Junior Nationals and Teams events were cancelled along with Senior Nationals and Superchamps. Very disappointed for so many of our players after all the hard work they had put in. I did feel with the squads that the pathway structure continues to work well. I see many young athletes have advanced to higher squads for 2022 which is very encouraging. A new squad that I have been thrilled with this year is a women's squad for A & B graders. The uptake has been awesome with women attending from all around the BOP.

BOP Coaches

Undoubtedly, we have the best stock of coaches in New Zealand. From international coaches to coaches that have advanced to regional squads. I am currently working on a proposal to continue to expose our coaches at national events throughout next year and the work with our BOP players at these events. Thanks to Mike Hebditch, Dave Clarke, Graeme Randolph, Becky Clarke, Tweedy Seymour, Brendon Morrison, Lauren Clarke, Dame Susan Devoy, Kashif Shuja, Kelly Shilton, Wayne Johnston, Glenn Templeton, Logan Brewer.

Coaching Conference and Junior Convenors 2022

I decided to run our next coaching conference early next year. Sometime in February. I'm combining with Waikato Squash to run this jointly which I think is quite exciting. We are also in that conference going to have a junior convenors section for all of our BOP folks on ideas how to run a junior program, term by term etc. By putting this little segment in this report as it will make clubs and convenors aware of what is happening in this space in the new year.

Highlight

There weren't many national events that did go ahead this year but we did manage to get a mini van full of our BOP kids and head off to the North Island Juniors in New Plymouth. Great trip and was so cool to get the kids away in these weird times. BOP had the biggest number of players at the tournament with 26 attending. Fantastic effort from our kids. To top the weekend off Joe Smythe took out the North Island Under 19 title.

Marcus (Coozer) Niles leaving us

Well, what can I say. I have worked with my great mate for around 9 years. He's been amazing in his role and as a district we have been incredibly fortunate to have his services. On a personal note, a massive thankyou to Cooz for being great support and a friend, but also being very professional and challenging me. It is sad for me to see him moving on but of course wish him all the best in his new golf managers role. I will certainly miss our beginning of the year road-trips to visit the clubs especially with Jim O'Grady. Man we had some laughs.

We made an awesome team Cooz. Thank you so much. I must admit though, I'm really looking forward to my free golf membership at Omokoroa.

Due to COVID, NZ Senior Teams was cancelled this year. It was replaced with the NZ Senior Teams Classic. This involved 6 districts in each gender. BOP entered the event as second seed in the mens, and 3rd seed in the womens. Both teams played well in the pool matches to win through to their respective finals.

The women lined up against a strong Canterbury who were top seeds. Our women pulled an amazing victory of the hat to clinch the title in a countback by a mere 4 points!

The men also took on the favourites in their final in Wellington. A stunning win first up from Josh Oakley set the scene for the lads. Manaia Murphy-Fell sealed the deal with the men matching the women to take both titles for the Bay!

JUNIOR QUADRANGULAR

AUCKLAND / BAY OF PLENTY / WAIKATO / NORTHLAND

Hosted by Franklin Squash Club 26-27 March

A great result for BOP at the 2021 Junior Quadrangular competition in Pukekohe this weekend. Placing 2nd overall behind Auckland. Last year the Quads were cancelled due to COVID so this March it was excellent for the 4 districts (Auckland/Northland/BOP/Waikato) and players that the event went ahead at the Franklin Squash Club.

Each district enters two boys and two girls in each of the Under 13, Under 15, and Under 17 age groups, and three from each gender in the Under 19 age group. Note: Due to other districts being unable to fill their U13 spot, Maiya Hotham did not attend.

Coach Robbie Wyatt was very pleased with the weekend saying he was “very proud of how our BOP team conducted themselves over the entire weekend both on and off the court.”

Manager Kelly Mitchinson did a great job of looking after the team. “A very competitive weekend with some awesome squash from our young athletes. We were lucky to be coached by Robbie Wyatt and Becky Clarke who once again showed their dedication and great coaching for our girls and boys.”

The Franklin Club did a fantastic job of hosting the event and the weekend ran smoothly and without complication. The food was excellent for the lunches that were provided, and on Saturday night the hosts provided a roast dinner which was definitely over and above.

BOP SQUADS

• BOP SQUADS 2021

Bay of Plenty has a strong performance structure that encompasses a range of squads to cater for our top players. Talented players are selected based on their commitment, attitude and potential, and are divided into squads which are run by a top group of regional coaches. This program is the cornerstone of the regional representative structure and produces our future stars.

In 2021 we had 4 squads. The Elite boys were run as an Under 23 squad, which allowed us to continue to work with the players who have recently left juniors. We also invite the senior men to attend those camps. We trialed our Elite Girls this year to a Wednesday weekly squad for one hour at a time. It went well enough but found that court availability become tougher so towards the end of this season reverted back to a camp structure. Also two Development Squads. Girls and Boys that worked very well.

Each squad had seven camps spread through the season. The camps are planned carefully and designed to give our squad members the skills and support to progress along the pathway to representative honours in the future. This year the camp schedule was disrupted by the lockdown, so we had to re-schedule the last few camps. We also engaged our squad coaches during lockdown and had planned a coaching conference for later this year but have postponed this until early 2022.

BAY OF PLENTY OPEN

Hosted by Devoy Squash & Fitness, 6-8 May

Devoy Squash and Fitness were excited to be able to host this event again this year after being unable to hold the event in 2020 due to Covid restrictions. Overall numbers were down on the 2019 event by around 30 players, but the event still saw really good depth in the top divisions with both the mens and womens open and Division 1 draws all being 16 person draws. It is always good for lower graded players to be able to watch some of the elite players perform and also good to show excellent women players, as well as men playing. In total there were 6 mens divisions and 5 ladies divisions

There was some awesome squash played with Kaitlyn Watts taking out the honours in the Womens Open and Zac Millar in the Mens Open. We were able to live stream both the finals and it was good to see many people in the club viewing the games.

Big thanks must always go to the main sponsors Pak'n'Save Tauriko and of course the contribution from Sport BOP. Thanks also need to go to Becky Clarke and her team of District and National referees for providing expertise to the top-level games.

As a club we also wish to thank the players who supported our club during their time of renovation, we had reduced showering and changing facilities and no complaints were fed through the organisers about this. It was great to see people just wanting to play their sport with good sportsmanship and enthusiasm.

NEELEY LOG

The Neeley Log originated from the Whakatane Club where Don and Dale Neeley donated the Log to Squash Bay of Plenty for a Bay competition, not unlike the Ranfurly Shield.

Due to the disruption of the season, very few challenges were able to be completed this year again. Te Puke ended the season with the log.

2020-21 Results:

Jan/Feb Katikati defeated Tokoroa
Mar/Apr Te Puke defeated Katikati

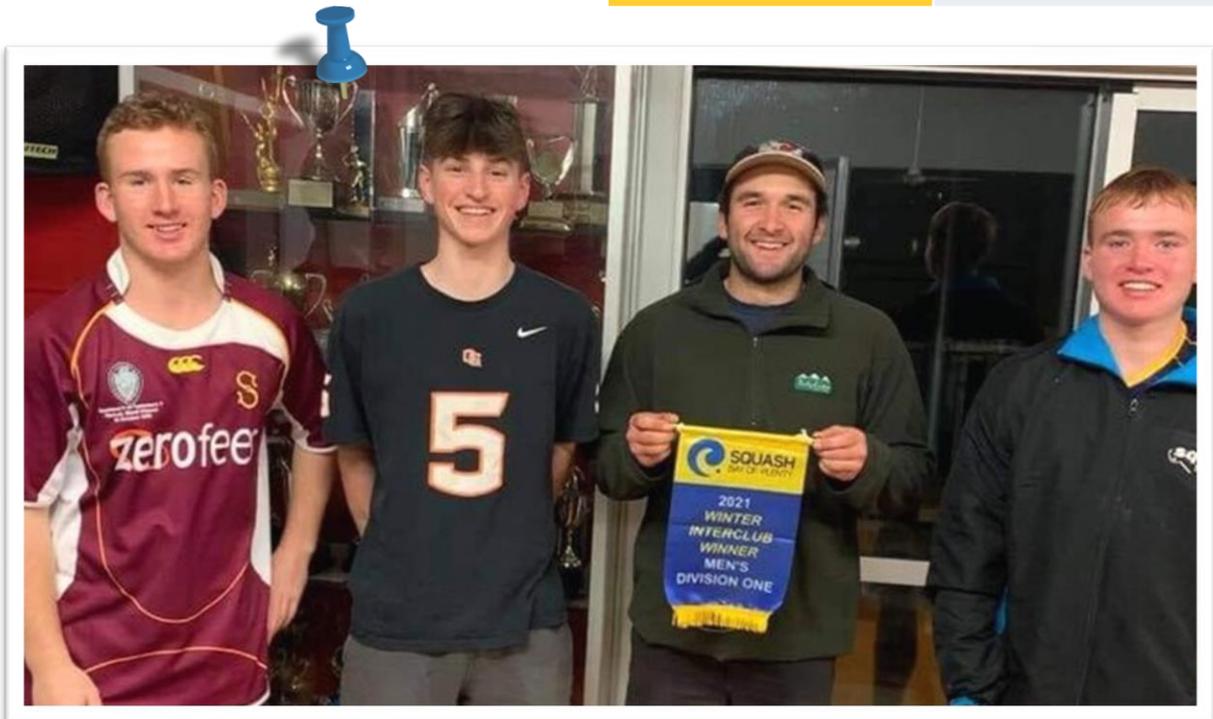

INTERCLUB

We managed to complete two full rounds of interclub this year. The Spring round was a casualty of COVID. After the draws were all completed (55 teams), the outbreak cost a few weeks due to lockdown. When lockdown ended, the decision was made not to proceed with Spring after club consultation.

The Autumn round saw 42 teams compete, and the 11-week Winter round had 45 teams.

SUPERCHAMPS DISTRICT ELIMINATIONS

2-4 July

The annual battle for the right to represent the Bay at the Superchamps national finals took place around the district over the weekend of 2-4 July. 50 Club teams of 5-7 players in each grade fought it out to get to go to the big dance in September to try to become National Champs.

The titles were spread around the clubs with Geyser City securing the most this year with three titles.

Unfortunately due to COVID, Nationals was cancelled so the teams didn't get a chance to compete for a NZ title this year

WOMENS 900 SERIES

Again in 2021, we teamed up with Waikato to run a WAIBOP Womens 900 Series of tournaments. There was a series of 10 events starting in March, alternating between the Bay & Waikato. This year we managed to complete the series without disruption.

The series was open to ladies 18 year and older, graded below 900 points, and ungraded players.

The series was again proudly sponsored by NZ Home Loans and Intimo.

NZ SECONDARY SCHOOLS TEAM CHAMPIONSHIPS

Hosted by Devoy Squash & Fitness, Mount & Te Puke

The New Zealand Secondary Schools was held at Devoy Squash and Fitness Centre, Mount Squash Club, and Te Puke Squash Club in Western BOP. This was the third year in a row the clubs have hosted this massive event which is a favourite for many junior players. This year nearly 300 players from 52 teams descended on the region from all around the country.

Going into the competition as top seeds, Tauranga Boys College were looking to get back to the glory days when they won three consecutive titles from 2012-2014. Led by one of the top NZ juniors Joe Smythe, the team saw off some tough matches to finish on top and re-claim the gold for the school.

In the Girls, Otumoetai were pleased to be able to enter their first ever team in the competition. All players are members of Devoy Squash, and the team included two sets of sisters to make it a real family affair. After a huge effort all weekend, it came down to the last match in the final with the teams locked at 2-2. An epic final match saw Genevieve Kennerley seal it for the school, taking home the gold in their first attempt.

A fantastic result for the Bay, winning both titles. The other BOP schools to compete were Taupo nui-a-tia, Katikati College, Aquinas College, Papamoa College

Katie Templeton (Katikati College), Joe Smythe (Tauranga Boys College), and Luke Steyn (Taupo nui-a-tia) were selected in the senior tournament team. Erin Wyllie (Otumoetai College) and Ella Hill (Tauranga Girls College) were selected in the junior tournament team.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2021

1. Reporting Entity

Squash Bay of Plenty Incorporated is a registered Incorporated Society, registered under the Incorporated Societies Act 1908. Squash Bay of Plenty was incorporated on 30 November 1972.

These financial statements have been prepared in accordance with policies determined by the Board for the benefit of the members and should not be relied on for any other purpose. These financial statements are therefore defined as special purpose reports.

Measurement Basis

The accounting principles recognised as appropriate for the measurement and reporting of the Statement of Financial Performance and Statement of Financial Position is on a historical basis are followed by the entity, unless otherwise stated in the Specific Accounting Policies.

These financial statements are presented in New Zealand Dollars. All values are rounded to the nearest \$.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of the Statement of Financial Performance and Statement of Financial Position have been applied:

Revenue Recognition

Income is recorded once an invoice has been raised. Grants, donations, subsidies and interest income are recognised once they have been received unless there is a condition attached in which case it is recognised as a liability until such time as it is spent. Club Affiliation fees are returned in the year which they relate to. Club Affiliation fees are invoiced to the clubs for the 12 month period 1 April 2020 to 31 March 2021.

Accounts Receivable

Accounts Receivable are stated at their anticipated net realisable value. Bad debts are written off during the year as they are identified with appropriate adjustment being made at balance date for any doubtful debts that may exist.

Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation. Depreciation has been calculated using the maximum rates permitted by the Income Tax Act 2007.

Income Tax

Squash Bay of Plenty Incorporated is wholly exempt from New Zealand Income tax having fully complied with all statutory conditions for these exemptions under Section CW 46 of the Income Tax Act 2007.

Goods and Services Tax

All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST. GST owing to or owed by the entity at balance date as recorded in the Statement of Financial Position has been determined on an accrual basis.

Netting Off

Some activities in the Statement of Financial Performance are disclosed on a net basis with the breakdown of income and expenditure disclosed in the Notes to the Financial Statements as this is thought to be more meaningful to members.

Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on a basis consistent with those from the previous reporting period.

8. Wages

Squash BOP has two full time employees. A Squash BOP Manager and a Coach Force Manager. Grant funding received for the coach force manager equated to 56% from external Grant funding (mainly coach force) and is monitored by Coach Force to ensure that the outcomes are delivered. The Squash BOP Manager is employed 40 hours to administer programmes, co-ordinate our regional teams, and competitions to the stakeholders. During the year Squash BOP received a Government Wage Subsidy of \$2,400 to help meet the wages of the two full time employees during the Covid-19 lockdown restricted periods. It's recognised that during the year by the board, that Squash BOP underwrites the time that the BOP manager spends on non-squash BOP tasks, which are not included in the managers job description, but are in the best interest of squash.

9. Grants Received in Advance

Squash Bay of Plenty did not receive any Grants in advance as at year end 30 September 2021. (2020: \$25,000)

10. Income in Advance

Taupo Squash club was invoiced on account of their 2022 Club Management Fee.

The Senior national event team members were invoiced for their contribution in the current year. The Senior nationals did not occur until November therefore their contribution has been recorded as income in advance. The Airfares for the senior nationals has been recorded as prepaid expense. (2020: \$6,433)

11. Capital Commitments

The Entity has no capital expenditure commitments as at balance date. (2020: Nil)

12. Contingent Liabilities

The Entity has no contingent liabilities outstanding as at balance date. (2020: Nil)

13. Events Occurring After Balance Date

The Entity has had no significant events occur subsequent to balance date.

ACCOUNTANT'S REVIEW

FOR THE YEAR ENDED 30 SEPTEMBER 2021

Accountants Report To:
Squash Bay of Plenty Incorporated

I have reviewed the financial statements of Squash Bay of Plenty Incorporated for the year ended 30 September 2021.

A Review is limited primarily to enquiries of the Societies personnel and analytical review procedures applied to financial data and thus provides less assurance than an Audit. I have not performed an audit and accordingly I do not express an audit opinion.

Based on my review nothing has come to my attention that causes me to believe that the accompanying financial statements do not give a true and fair review of the reporting year to 30 September 2021.
